

At the Chequamegon Food Co-op we are preparing for the upcoming Chequamegon Food Co-op Annual Meeting in April. We would like to include information about each of the Board of Directors candidates in meeting materials and in *The Grapevine*. Please review and answer the questions below; also, please allot no more than 100 words in response to each question, for a total word count of 500 words or less. This information will be used in the spring issue of *The Grapevine*, our member newsletter, and we will also distribute the questions and candidate responses through bulk emails to members and through meeting handouts.

Please email your responses to Claudia Broman at claudiab@cheqfood.coop by Feb. 15, 2012.
