

Attention AOL users:

It has come to my attention that you may not be receiving our e-newsletters in a timely manner. Our website host is aware of this issue and is working with AOL to resolve the problem.

In the meantime, please be sure to add our e-mail address to your address book. This should help the messages get through your spam filters more quickly.

However, even more advisable would be to send us an alternate e-mail address if you have one. Please send it to:

learning@naturesfoodpatch.com

I sincerely apologize for any inconvenience this may have caused. Any coupons that arrived after their expiration date will be still be honored.

I appreciate your patience & understanding. And as always, thank you for shopping at the Patch!

Sincerely,

Cheryl Rosselle
Marketing Manager
