

Homeopathy for the Home Starting in April

Did you know Homeopathy is the second most popular form of medicine in the world behind Traditional Chinese Medicine?

Join Nicholas Mazzoli, Homeopathic Physician, in an introductory course to prescribing for common household ailments.

You will receive a remedy starter kit containing 20 of the most popular remedies used at home and a fantastic home guide for reference.

You will learn:

1. How to decide which remedy to give and how often
2. How to use your home guide and remedy kit
3. How to effectively treat many common ailments
4. The main distinguishing features of the prescribed remedies

When: April 6, 13, 20, 27
7:00-8:30pm

Where: Natures Emporium
16655 Yonge St. Newmarket

Cost: \$150
Includes remedy kit and reference book
