CHEESE OF THE MONTH

The featured cheeses for this month comes to us from Black Diamond, Canada's most acclaimed cheddar cheese producers. Established in 1933, the Canadian based company is know for it's aged cheddar and cheddar spread.

- For over 75 years Black Diamond's care, craftsmanship and exclusive aging methods have yielded a premium cheddar with a well earned world-wide reputation for excellence.
- The cheddar is produced from cows' milk and is rbgh and hormone free and contains no trans fat.
- Cheeses are aged between 18 months and 2 years giving the cheddar a smooth, moist and creamy texture with a pleasant robust, tangy flavor.
- Spreadable cheddar is made from nonprocessed cheddar cheese and would be great with crackers on any party platter.
