**Each month, visitors to Living Earth online are seeking information on topics concerning health, diet, exercise, and everything in between!**

Now more than ever consumers begin their research online, and so it has become essential for businesses to be visible, and accessible - *a click away*'.

Living Earth Online is a hub for this information, and we are now offering our visitors a simple way to continue their search by directly providing them with local Practitioners while they navigate our site.

Living Earth online enjoys over 22,000 views annually, and has doubled year over year.

Our page dedicated to Local Practitioners is a great place to highlight your business logo, contact information, and hours of operation, making it easier for visitors to continue onto your web page, or pick up the phone and call.

**Don't miss out on this opportunity to reach out to your customers while they are online.**
