Thank You!

At Foodsmiths we consider our customers' opinions to be critical to our success. Your continued feedback helps us find and offer some of the best local, natural and organic products in the marketplace.

The Perth Courier and Smiths Falls "This Week" recently held their Readers' Choice Awards 2010, to recognize local businesses in over 200 different categories of commerce, industry and service. Foodsmiths is honoured to receive five Diamond, and four Gold awards in several different categories.

In business, there is no greater compliment than earning the trust, loyalty and acknowledgement of our customers. We appreciate the many readers who voted for Foodsmiths and extend our heartfelt thanks to our customers and the Foodsmiths team for over 34 years of support and success.
