

Atypical Massage Therapist Job Description

- Rule #1: Keep **100%** of your income!
- Rule #2: Expand your massage practice!
- Rule #3: Expand your marketing opportunities!
- Rule #4: Find potential clients for your private practice!
- Rule #5: Work harmoniously with everyone; no diva's allowed!
- Rule #6: Experience coaching to improve your business performance!
- Rule #7: Massage Therapy, sounds like: Mah-service Therapy; define your service!
(a value statement, not a technique)
- Rule #8: Let the love flow through your hands (if you don't know what that means, this is not for you)!
- Rule #9: We serve in the spirit of partnership and look forward to having multiple partners!
- Rule #10: Have fun and **Chill** for cryin' out loud!

Chill Massage, LLC, partners with organizations to create job opportunities for Massage Therapists. Rather than pay 50% commissions (or more) to an employer, Chill provides locations and License Agreements (cheap) to Massage Therapists to support them being independent business owners. As a turnkey operation, you'll have what you need to begin to grow your business. To show you that we're serious, we also provide you with a 4-part coaching series about your success!

Chill Massage, LLC, is looking for qualified licensees for locations in Chicagoland; you must be a Licensed Massage Therapist, copy required. Your License Agreement provides you rights to use our brand and materials as your own immediately. We supply you with a few templates for what you need. You keep 100% of your income! And, you can increase your income through events, classes and Chill product sales. We encourage you to be creative! If you're unsure of your great idea, ask for our input and we may even support you in your execution.

Here's the skinny:

1. You purchase a license at \$10/month to use our brand as your own.
2. You purchase a shift between \$10-25 and that is your weekly shift.
3. You participate in our 4 part coaching series (optional)
4. You grow your chair massage practice as supplemental income
5. You use your chair massage practice as a marketing tool to feed your private practice

You already know how to promote the health & wellness benefits to clients receiving massage therapy on a regular basis. You realize how important it is to create an extraordinary client experience. With Chill Massage, LLC, you have a partner in success!

Requirements:

- Complete License Agreement
- Choose desired shifts to start
- Make necessary payments and arrangements
- Must adhere to local and state licensing laws and regulations
- Must carry liability insurance reflecting Chill Massage, LLC and host site as "additional insured"
- Must be social, outgoing, customer service oriented
- Must be able to communicate effectively with everyone (not just the client who gives you money)
- Understands and believes in the healing benefits of massage and demonstrates that through a positive state of being
