

FOODSMITHS HONOURED IN THE 2009 PERTH COURIER READERS' CHOICE AWARDS

At Foodsmiths we consider our customers' opinions to be critical to our success. Your continued feedback helps us find and offer some of the best local, natural and organic products available.

The Perth Courier recently held their inaugural Readers' Choice Awards 2009, to recognize local businesses in over 200 different categories of commerce, industry and service. Foodsmiths was honoured to receive five Diamond, one Platinum and two Gold awards in several different categories.

In business, there is no greater compliment than earning the trust, loyalty and acknowledgement of our customers. We appreciate and respect the many readers who voted for Foodsmiths and extend our heartfelt thanks to the community, our customers and the Foodsmiths team for over 32 years of support and success.
