theo

Mama Sifa Kavira is one of the 42,000 people in the Democratic Republic of Congo in a family that sells Theo cocoa.

100% of these farmers are trained in regenerative agriculture practices.

With every Theo purchase you get delicious chocolate and ensure Mama Kavira's annual income, along with all the farmers we work with, increases by 50%. You also enable us to partner with local organizations to meet immediate needs, like reducing the maternal fatalities in Mama Kavira's village from 45 to zero.

Now that's making life sweeter.
